

## **The new Society of agricultural machineries is recently formed**

The council of agricultural machineries and vehicles are selected. The new members of this unity is fixed too.

This is one of the most effective unities for improving of agricultural mechanization and technology and also it has been constantly the center of wrangling and disputations.

The new selected members of this society started to work.

## **The newest innovations in engineering and production of top quality cage systems for the poultry sector**

This informative article addressing to

The producers, their machineries, technical specifications, their cages benefits for poultry industry.

The source of this article is: "International poultry production".

More over we have had translated, published many other articles from this technical magazine, in the past issues.

## **A Specialized and guiding interview**

Here`s a specific interview provided by editorial in chief of "Damparvaran" withby Dr. Mehrban, professor of university and also secretary of one – old – day chicken producers unity.

In this criticizing invterview, Dr. Mehrbani talked about statistics of production in poultry and hatchery, boycotts, foreign exchange increasing and commercial transactions .our real poultry situation in 1391 is completely evaluated in this interview. besides, all of questions which are answered by Dr. H. Mehrbani explains the existed politics of governors based on exact statistics.

### **In this article, ‘Damparvaran’ is focusing**

On presidential election. The editorial in chief of this specialized magazine referring to its dependent critical and political events, emphasizes that: In present situation the only one is appropriate for this job, who accepts that our society is interfering with crisis, a serious crisis, The new president should fundamentally prepare a concise political plan.

The author of this article, Mansoor Ansari criticises these happened competitions which never be able to solve our society`s problems.

He added that our future president should have more consideration towards our agriculture situation, by granting more suitable facilities for farmers.

While the granted facilities for agricultural activities is only four percent, which causes many troubles for agricultural activities.

### **Relations between Agriculture Bank and specialized magazines is improving**

Some successful gatherings were held among some specialized and informative magazines during few months ago.

These gatherings have had positive effect on general minds, so as the manager director of agricultural Bank, Dr. Talebi participating in central office of specialized magazines of agriculture referred to existed programs and politics and also consulted with some of editorial in chief and manager directors of these magazines.

They had some consultation for improving of purposes and main goals of Bank and also the benefits of farmers.

In the name of GOD
