### **Election of Mr. E. Hojjati as the ministry of jihade agriculture**

Mansoor. Ansari, As before has arranged this subarticle for this volume of Damparvaran.

The author by expressing his satisfaction of E Hojjati`s election by Dr. Rohani, is criticizing and analyzing his presented program. This plan is contradictory and some how impracticable because we observe that in this plan level of investigation is severely low, low profitability, the index of agriculture mechanization is too low, on the other hand, asserts that this plan has a solution for food security.

The editorial in chief of Damparvaran refers to this plan as an unreal and impracticable which is apparently a political motto.

The editor has suggested some practical and real solutions for supporting and fortifyiny Mr. E. Hojjati`s program.

### **Development Relationship of agricultural machineries and expert journals**

By after months of strife, finally the society of agriculture machineries is succeed to select its new members of board of directors and discharged the precious secretary, who published a magazine and this society had a exclusive and monopolistic relation with his magazine. While this election caused fundamental
