

age – more attention to substructures of milk and meat productivity. – To promote the consumption of milk and dairy products.

Looking forward to Exhibition of Poultry Industry in Kish

This grand show will be celebrated with corporation of VIV in open port of kish.

This grand show will be welcomed by considerable foreign companies even American industries, because entering to this island needs no viza and there aren't no customs formalities.

Near to 10,000 square meters has been specified to this exhibition, while it's anticipated this figure will reach to over than 1400 sq. meters.

More over this grand show will be supported by veterinary organization and deputy of Jihad – e – Agriculture ministry.

It's expected that by this grand exhibition our poultry producers will have more cooperation with progressed and modernized industries in other countries.

Installing and putting start of Irriport's production in Iran

The First intelligent irrigating system is produced by Irriport in Germany. This system is installed and started to work in agriculture college, Tehran University which is the most largest and the most reputable agricultural university in Iran. Engineer. H. Razawi, The Commercial manager in Eroupe, installed this system for Training course as workshop, then at the end of course gave an international certificate to trainers.

This newest Irrigating system was introduced in the 6th International agricultural technologies in 2012.

By starting next farming year, the students of agriculture and Irrigating in this university will be trained for working with this system.

Agricultural laws and restriction are not same as wooden swars! should be more serious on their execution

Mansoor Ansari, the manager and editorial in chief of 'Damparvaran' has evaluated law which will ends developing the responsibilities of jihad-e - agriculture ministry. The title of this law is concentration on authorities and duties related to agricultural unit in The ministry of jihad – e – agriculture.

By means of this law this ministry will be more powerful because a great deal of responsibilities ad duties of ministries of Mine and Industry, Commerce will be committed to this ministry.

The author of this article criticizes there are other approved laws which haven't been executed , yet.

Granting 152 milliard tomans for Integration

Recently our state has specified a considerable budget for "Intergration" in poultry Industry in Iran.

The author of "Damparvaran" has reviewed the history of Integration in around the world specially in America and has noticed that correct execution of this Commercial method will end to declining prices and more benefit for producers and consumers.

He has criticized of interference of state in this method In his belief, by interfering of state ,it will injures the healthy competition among producers.

At the end ,auther of Damparvran suggests an absolute solution for exeuction of this method among different parts of productivity.

Exclusive interview with Iran Poultry Union'S the head of broad of directors

Mr. Siroos Roosta the head manager of this national union talked about below subjects: not executed four - sided agreement. – increasing of milk price. – Buying milk by the state. – To determine a stable facility for this buying – saving about 40 percent for-

In the name of GOD
