

Jihad – e – Keshavarzi Ministry Assistants in Iran Agri Exhibition 2015

The 8th Iran Agri Ati Exhibition 2015 was established in Karaj from 15 – 18 Dec 2015.

In addition to two special newsletters we illustrated about jihad – e – Keshavarzi Ministry assistant`s speeches.

Eng. Abbas keshavarz told about Ministry`s policies to save water in agriculture.

Also, Eng Ali – Morad Akbari, soil and water assistant said about domestic manufacturers of irrigation systems. He added: We are able to increase our yearly plan from 400,000, hac to 500,000, hac, because we have the abilities to achive this goal.

Only Agricultural Economy broke stagnancy and Growth Records

Damparvaran editorial allocated to two subjects in this issue. The first is about stagnante breaking, because the prouduction growth is 11% more than last year. And the second is to approach 5.7% growth in this sector in spite of 1% in all of the country economy.

In this essay, 11th government`s economic problems were analyzed, including the cash siginificant volume that is reminded from the previous government. Also, it pointed to controlling the inflation but not to dissolve the stagnancy.

The only sector which has gone out of stagnancy and has a suitable growth is agriculture. The editor has pointed to some of his essays about subcidies and the danger of cash growth in 2008 – 2013 Damparvaran issues.

Foreign Investment in Agriculture Sector

According to this essay the economy of the country was analyzed. It is clear that the country is faced to a stable stagnante, on the other hand, the inflation treats the conomy. In this condition, the only solution is to attract the foreign invests.

Government can not add more cash to release from stagnante, because an uncontrol lable inflation will occure. So, one of the best options is to attract foreign invests. that can confront to inflation and stagnancy.
