SPACE 2017 will be the only event of its kind in the world for professional of all kinds of animal production including bovine (milk and meat), poultry, pig, rabbit,

Why we changed the Title of Damparvaran Magazine?

According to reader`s request, we changed the name of Damparvaran Magazine to “Agri – industries Infrastructures...” after 18 years of publication. The main reason is the vast field of subjects that were published in those years.

So, the issue no. 185 will publish in the new name and logo.

By this way, our subscribers can do more activities. The new magazine will distribute as the past years in the country for producers, government responsible, bank Kesharvarzi managers and so on. We will criticize all of the main problems in agriculture, food industry, etc.

Rohani’s political relation expansion led to brisk up in food industry

In this issue a special interview was held with a famous person in food industry.

Addition to problems and governmental obstacles to export agricultural products he asked government to interfere less in food industry affairs.

Dr. M. Tafreshi that has many responsibilities in food industry organizations, mentioned with best regard from 11th government in dairy products exporting.

Golha food industry is one of the most successful private company in food production under the management of Dr. M. Tafreshi.

Who is the next Agricultural Minister?

According to political and economical conditions and Dr. Rohani cabinet, the writer tried to analyze some prominent persons for agriculture ministry.
